Dear Patty,

I wish to provide Western Messenger with the highest possible praise and gratitude for the service your organization has generously provided to The Bar Association of San Francisco's (BASF) holiday gift drive for under privileged youth in San Francisco.

Each year for more than a dozen years, Western Messenger has provided free pick up and delivery to over 50 law firms for thousands upon thousands of pre-school children from Visitation Valley to the lower Fillmore District. I can honestly not provide enough sentiment to accurately describe how critically important your service is to this program. The partnership between your organization and BASF is dedicated to the best possible business: bringing joy to children.

Western is as reliable as it is generous in this undertaking. On behalf of the legal community; the directors and teachers of the Head Start pre-schools and most importantly the children: thank you. We look forward to working with you again this upcoming holiday season.

Thank you all the very best,

Jayne Salinger
